FOREIGN TRAVEL WAIVER

I, hereby acknowledge the potential risks involved with traveling to foreign countries, including but not limited to terrorism, diseases, search and/or seizure of property by customs or other governmental authorities, personal liability, risk of personal injury including disability or death, damage to property belonging to me and others, and differing customs and legal requirements. I understand that such risks may not be foreseen or reasonably foreseeable by any of us at the time of the trip.

In exchange for being permitted to participate in the trip abroad with the New York African Chorus Ensemble, Inc. its staff, board members, and all connected individuals or entities (referred to as "NYACE"), I willingly and voluntarily assume all risks associated with such travel. I accept personal responsibility for any injury (including but not limited to personal injury, disability, dismemberment, and death), illness, damage, loss, claim, liability, or expense of any kind or nature that I or my property may suffer, and agree to release NYACE, its staff, board members, and all connected individuals or entities from any liability arising from any such risks.

I understand that NYACE serves only in a capacity of assisting in making arrangements for services and products to be provided by others in connection with the activity, and in no way serves as an agent or representative for these other parties, or accepts any responsibility or liability for their services or products. Such services and products are subject only to the terms and conditions under which they are provided by such other parties.

I hereby waive, renounce, and release on behalf of myself, my heirs, and my estate all claims of whatever nature against NYACE, its staff, board members, and all connected individuals or entities including but not limited to claims of any injury, loss, damage, accident, delay, irregularity, or expense caused by strikes, war, weather, sickness, quarantine, government restrictions, or arising from any act or omission of any steamship, airline, railroad, bus company, hotel, restaurant, school or university, firm, agency, or individual, or for any other cause whatsoever arising out of, resulting from, or in connection with the above-referenced trip abroad.

Furthermore, I assume all risks associated with my participation in the trip abroad, including but

not limited to the risk of any negligence or recklessness or failure to act by other participants or others, and the risk of injury caused by the condition of any property, facilities, or equipment used during the trip abroad. I agree to waive, renounce, and release on behalf of myself, my heirs, and my estate, my claim against NYACE, its staff, board members, and all connected individuals or entities from alleged to be caused by such negligent or reckless actions, or failure to act, or the condition of any property, facilities or equipment used during the travel program.

I understand and agree that NYACE is not providing personal chaperones or supervision with respect to this trip, and I am responsible for my individual conduct, health, and safety at all times. I agree to defend, indemnify, and hold harmless NYACE its staff, board members, and all connected individuals or entities for any and all losses, expenses, claims, judgments, and liabilities (including attorneys' fees) of any nature arising out of or in consequence of my acts, words, conduct, etc. in connection with the trip abroad, including but not limited to damage to property, any injuries, or death sustained by any person(s).

FOREIGN TRAVEL WAIVER AND RELEASE FROM LIABILITY FORM

I certify that I am in good health and do not have any physical conditions that may affect my ability to travel or participate in the activities involved in this trip abroad. I have completed an Emergency Contact & Medical Information Form, which includes information about any medications I am taking and any medical conditions I have.

I understand that “NYACE” its staff, board members, and all connected individuals or entities are not responsible for any costs or medical care that may be required during my participation in this Program. I grant “NYACE” its staff, board members, and all connected individuals or entities full authority to take whatever action it deems necessary regarding my health or safety in connection with my participation in this Program, including providing emergency first aid, medication, medical treatment, or surgery deemed necessary by medical personnel. This authority permits

“NYACE” its staff, board members, and all connected individuals or entities, at its discretion, to place me, at my own expense, in a local hospital for medical services and treatment, or, if no hospital is available, to place me in the hands of a local medical doctor for treatment.

I also authorize “NYACE” , its staff, board members, and all connected individuals or entities to fly me back home, at my own expense, for medical treatment if local medical authorities deem it necessary. In the event that I am unable to make decisions about my own medical care, I authorize medical personnel to act on my behalf and to execute any necessary documents.

I understand that “NYACE” its staff, board members, and all connected individuals or entities reserves the right to suspend or terminate my participation in the trip abroad if it determines that my acts, words, or conduct are detrimental to or incompatible with the interests, purpose, or welfare of the trip or of “NYACE”. If my participation is suspended or terminated, I understand that I will not be entitled to a refund for any unused portion of the Program cost.

I understand that this Waiver is a legally binding agreement and will be interpreted broadly to provide a release and waiver to the maximum extent permissible under applicable law. If any provisions are found to be void or unenforceable, they will not affect the validity or enforceability of any other provisions. This Agreement may be executed in counterparts, including facsimile signatures, and all such counterparts shall constitute one agreement, binding upon all parties hereto.

TRAVEL ETIQUETTE

While we would love nothing more than to bring every person with a passport on our trips, previous experiences have taught us that group travel is simply not for everyone. Below you will find a list of characteristics that one should have if considering joining us on our trip:

A desire for adventure and new experiences: - One of the primary goals of our trips is to expose our travelers to new experiences that they may not have gotten otherwise.

Patience – While we will do everything in our power to make the trip go as smoothly as possible, there are undoubtedly going to be unforeseen circumstances. We ask in advance that you bear with us while we address any of these situations, and be assured that whatever issue occurs it will be rectified! In addition, people come from all over the world to see the sites that are on our itinerary, while we will try to avoid it, there is undoubtedly going to be long delays as we travel from one point or another.

Self Sufficiency – At the beginning of each trip, each traveler will be provided with a detailed itinerary on where we are going each day, at what time and where we will meet to depart. It is expected that each traveler will employ personal responsibility in making sure that they follow the itinerary and meeting time. Under no circumstance will we hold up the group because one person is late to a meeting point. In addition, we will not cancel or expedite any excursion, because one person is not interested in seeing it.

We do understand that sometimes a late night of partying will make it hard for you to join us the next morning. As a tourist, it's important to make sure that you stay on the itinerary that has been planned and not go off on your own. It's also important to stay with the group and not wander off. Adhering to these policies will help keep everyone safe, and ensure that you get the most out of your tour.

Friendly Attitude - There will be a plethora of people from disparate walks of life, with even more disparate backgrounds and personalities. If you are someone that often finds themselves in conflict with others or identifies themselves as a loner, it is advised that you adjust your behavior because we shall operate as a family, meaning that it is each of our responsibilities to look out for one another. So if you see someone lagging behind or not paying attention, then

please don't hesitate to check on them and/or inform your group leader.

Physically Health – It is the personal responsibility of every traveler to consult with their doctor before going on any trip, especially a trip overseas. There are many medical conditions that might make traveling a bad idea, and only a medical professional can tell you if you are in shape to travel.

In addition, if your health condition prevents you from doing any of the aforementioned activities you may want to reconsider going.
